

THE MAYFAIR LIBRARY

A new Steering Group has been formed; a small-dedicated committee

that with the help of the Library staff, hopes:

- To encourage members who wish to have a hub of activity, and a centre for the community
- That hopes to see disabled access and a mobility car organized for the Mayfair Library
- To make sure the Library is always up to date with the latest equipment
- To be proud to promote the Library to visitors and tourists

We want to address what the community wants and needs, with talks, lessons and other activities and to organize fundraising events for the Library
